

### **NCSHA Releases Opportunity Zone Fund Directory**

WASHINGTON, DC — The National Council of State Housing Agencies (NCSHA) today released the [Opportunity Zone Fund Directory](#). This new online resource provides descriptions and contact information for publicly-announced Opportunity Funds that have been formed for the purpose of attracting investment in Opportunity Zones.

"The Opportunity Zone Fund Directory is an informational tool for the growing community of investors, developers, and public agencies interested in realizing the promise of Opportunity Zones to generate new investment in economically distressed communities," said Stockton Williams, executive director of NCSHA. "State Housing Finance Agencies across the United States are targeting their resources, convening their partners, and assessing their local markets to help achieve this goal."

The [Opportunity Zone Fund Directory](#) will be regularly updated. To add a fund to the directory, please contact NCSHA's [Jim Tassos](#).
